

February 2023

Aerial Lift Platform (MEWP) Training

Aim

The aim of this course is to provide the workers with an awareness of the need for Mobile Elevated Work Platform (MEWP) training and the knowledge and skills necessary when working with MEWP's. Trainees will receive training on the equipment and procedures to safely use different types of lifts.

Content

This program will meet or exceed applicable government regulations for the training of employees operating MEWP's. Trainees will acquire knowledge and skills through a combination of lecture presentations, group discussions, film presentations, equipment demonstrations and performances based on MEWP's. Trainees are required to complete written and practical testing in order to receive course certification.

Areas of study will include the following:

The operator will be trained to CSA standard B354.7 and the training will include:

- Risk assessments provided by the employer in relation to the work site.
- Selection of the suitable Ariel Lift.
- Manufacturer's manuals and locations on the lifts.
- Inspections and maintenance obligations specified in the manufacturer's manuals.
- Factors affecting the stability in the operations of the MEWP.
- Hazards identification / daily workplace inspection.
- General knowledge of the MEWP.
- Malfunctions with the MEWP and how to address the situation.
- Personal Protective equipment requirements.
- Practical training will include hands-on demonstration and use of arial lift equipment.

DURATION

Four to six (4-6) hours.

PREREQUISITES

Trainees are expected to be in a good state of health and physically capable of fully taking part in all program activities. Trainees are expected to participate in all physical training requirements. Trainee is to hold a valid fall protection certificate prior to taking this course.

A valid Government Identification is required and must be presented for registration and to the instructor on the first day of course commencement. (Driver's License, Passport, Vantage Card)

CERTIFICATION

All persons who successfully complete the course based on the performance standards will receive:

- A Survival Systems Training certificate for Aerial Lift Platforms. (MEWP)
- Expiry is every 5 years.

GENERAL INFORMATION

LOCATION

Survival Systems Training Limited
40 Mount Hope Avenue
Woodside Ocean Industries Park
Dartmouth, Nova Scotia B2Y 4K9

MEDICAL FITNESS

A Statement of Health Form completed on the first day of training.

TIME

Classes are conducted from 1200 to 1700. Throughout the course, it is imperative that the trainees be on time as lack of punctuality could cause them to miss essential parts of the training. Trainees who are absent for parts of the program will not be issued a certification until they have completed the entire course.

CLOTHING Required

- CSA approved work boots.
- Harness and lanyard / SRL.

PARKING / TRANSPORTATION

Free vehicle parking is available at 40 Mount Hope Avenue. Transportation from Survival Systems Training to the various training sites will be provided, if required.

REGISTRATION

To register, call 1-800-788-3888 or contact the Registrar at 902-465-3888 x103 or via email at sst@sstl.com.

TERMS OF PAYMENT

Companies with no established credit history with Survival Systems Training Limited will be required to pay course fees in full by credit card or wire transfer in advance of training. A completed Registration Form is required to be submitted prior to the course.

Individuals are required to pay a \$200 deposit upon registration. Remaining course fees are DUE IN FULL on the first day of class and can be paid by cash or credit card. PERSONAL CHEQUES ARE NOT ACCEPTED.

CANCELLATION POLICY – INDIVIDUAL

The \$200 deposit will be forfeited for all cancellations under three (3) business days, regardless of the reason.

CANCELLATION POLICY – COMPANY

In view of the fact that course fees are based upon the courses offered being fully subscribed, the following cancellation policy will be enforced. The clients will be responsible for:

- A \$500 administration fee per person for all cancellations under three (3) working days, regardless of reason. If the cost of the course is less than the \$500 administration fee, the full course fee will be forfeited.

IMPORTANT NOTICE

For the safety of the trainee, other trainees on course and instructors, it is our policy that trainees be under the influence of NO ALCOHOL OR RECREATIONAL DRUGS during scheduled course time (including lunch breaks). Trainees abusing this policy will not be allowed to complete the program and they, or their company, will be charged the full course fee.
